Rockenmacher Chiropractic Financial Agreement for Cash Patients

We would like to take a moment to welcome you to our office and to assure you that you will be receiving the very best care available for your condition. To familiarize you with the financial policy of our office, we would like to explain how your medical bills will be handled.

FEES:
Initial consultation, exam, adjustment, and therapy: $180
Adjustment and therapy: $70
Adjustment: $50
X-rays: varies
Patients not seen >90 days; re-exam, adjustment and therapy: $95

Cash Discounts: (please ask about our discount fee)
It is our policy in this office to maintain your account on a current basis. We offer a pay at the time of service discount for patients who do not have chiropractic benefits or have exhausted their benefits under their insurance plan within the calendar year. The discount only applies when payment is received at time of service. In the event that staff must send a bill for services, the discount no longer applies and you will be charged our usual office fee. Fees are based on the quantity of services rendered and include charges for exams, x-ray, adjustments and physiotherapies.

In the case that a patient opts out of initially billing their insurance, but then later decides that they would like claims to be submitted, all cash discounts are then voided and the patient is responsible for any balances due according to insurance benefits.

Payment Arrangements:
Our office accepts all forms of payments including cash, checks, or major credit cards. Any returned checks will be subject to a $25 check return/NSF fee. If this account is assigned for collection and/or legal action, all collection fees, attorney fees, court costs and interest will be added to the total amount due.

Voluntary Termination of Care:
It is also the policy of this office that if you should choose to suspend or terminate your care and treatment, any outstanding fees for professional services rendered to you will be immediately due and payable.

Once again, we would like to welcome you to our office and we hope that this has answered any questions you might have regarding your financial arrangements. If at any time you have any questions about your case, please do not hesitate to ask.

I have read and agree to above.
